WHAT HAS HAPPENED RECENTLY?

The GROOVE partnership has been working in the Toolkit for developing a digital strategy in VET. The aim of this toolkit is to build the capacity of VET professionals to design and develop a digital action plan. Also, is contains strategies that aim to enhance educators' digital skills, and learners' digital literacy.

During the last month we have testing the toolkit with our local committee with positive feedback.

WHAT WILL BE NEXT?

The partnership will be focused on the second result the development of 2 key subresults: (1). the GROOVE digital transformation intelligent tutor which will be an interactive guide for developing a digital action plan. (2). An online learning platform with digital resources, OERs, and tools for VET sector.

In April 2023, The Transnational training event will be held for three days in Nicosia, Cyprus, hosted by CARDET.
